# *student* ROADMAP

A Year-to-Year Guide to Career  
and Academic Success

O

## Your Support Team

### ACADEMIC

Advising and Student Experience can help you explore major and minor options, as well as develop a plan to graduate. Braddock Tutoring provides free tutoring for select required courses for majors and minors.

### EXPERIENCE

Employers want to hire students with meaningful experience outside the classroom. Experience helps you build skills, network, and try out different careers. Start small and early with clubs, volunteering, and part-time jobs. These experiences on your resume will help you prove you have what it takes for internships and full-time jobs.
